

Eno River Media Production Statement of Purpose

Eno River Media Production was established in 1999 as a private nonprofit organization committed to eliminating educational, economic and regional barriers to the growing film and television industry of North Carolina.

Eno River Media Production is working to become a major national production studio capable of producing large budget projects for the international film/television/Internet markets while providing grass roots education and experience to everyone with a dream to enter the entertainment industry.

Eno River Media Production strives to be the leader of North Carolina's digital video production industry by providing an opportunity for novice cast and crew to gain the necessary practical experience and skills in field production to succeed in the television and movie industry through completion of assigned digital video projects for distribution by American cablecast outlets.

Starting at its home base, the Triangle Area of North Carolina, Eno River Media Production will extend its economic growth capabilities and professional influence to all parts of North Carolina to help facilitate Eno River Media Production providing the tools and training to North Carolina independent filmmakers and television producers. These tools and this training will help them communicate their ideas to their communities and the country.

Eno River Media Production projects promote and support, through a variety of media, North Carolina's unique arts community, non-profit organizations and the positive entrepreneurial spirit found in diverse communities throughout North Carolina.

Eno River Media Production is a membership driven organization that relies on the tireless efforts and countless volunteer hours of our members. The organization is governed by a Board of Directors and is incorporated in North Carolina.
