

ERMP 2009 Goals

These are in order of Organizational Group. No order within the groups. They should cover most aspects of ERMP. The Senior Staff came up with this list after hearing and listening to many folks inside and outside the organization. The process of getting organized begins with a list--a list to get you thinking about what has to be done.

Internal and External Business Affairs

- Track compliance with each EMR
- Apply to 45 foundations
- Win 3 grants
- Establish Production Office in the Triangle
- Pursue acquisition of studio facility
- Personnel Director meet and interview each Senior Staff member
